

Carleton Ravens – Major Awards - Ruth Coe Award – Female Athlete of the Year

Frances Ruth Coe, a 23-year-old Physical Education teacher at Hillcrest HS died much too young on Tuesday, October 12, 1965 in Kingston, from injuries suffered in a car accident.

Ruth was an Ottawa native who attended Glebe Collegiate Institute and graduated in 1960. While at Glebe Ruth played/participated in a number of athletic activities but basketball was her favourite.

At Carleton Ruth played basketball for three years for the Carleton University Robins, as the Lady Ravens were known then, from 60-61 to 62-63. She was coached by Carleton Athletics Hall of Fame Coach Mavis McArthur. The 1960-61 team won the Stewart Trophy, at that time awarded to the top team in the Central Canada Women's Intercollegiate League.

She had been a teacher at Hillcrest for three years and was a specialist in Physical Education and a part-time History & Geography teacher. She was also the coach of the Hillcrest Girls' Track and Field and Swimming teams.
